LUNCH & LEARN

Join us at MBC biolabs and discover more

MBC Biolabs, 930 Brittan Ave, San Carlos, CA 94070

June 26, 2023 | 12:00-1:00 PM

Join us Monday, June 26th at noon for Lunch and Learn from Revvity for drug discovery workflows.

- **Drug Discovery Reagents** - Overview of no-wash immunoassays (**Alpha** and **HTRF**) technologies. Our assays can provide high throughput, wide dynamic range, improved sensitivity, and reduced background for your discovery!
- **Multimode Plate Reader** - We will discuss the new **Envision Nexus system** arriving at MBC San Francisco in Q3.
- **LapChip GXII** - Overview of the technologies and applications of LapChip GXII.

Lunch and Beverages will be provided. Be sure to RSVP today. We look forward to seeing you!

This is a private, invitation only event. Space is limited. Register early.

Your drug discovery reagent team:
