

Thermo Fisher Scientific Office Hours

Please join us for our upcoming event - where we'll be discussing our molecular biology and sample prep portfolio including DNA/RNA extraction, endpoint PCR, cloning, library construction with an emphasis on polymerase and reverse transcriptase enzymes.

Meet your local team!

Tuesday, September 26

Institution: MBC BioLabs
Address: 930 Brittan Ave., San Carlos, CA
Time: 12:00PM - 2:00PM

Desola Ilupeju
Biosciences Account Manager
