## Agilent Lunch & Learn

Come meet our TapeStation specialists and learn informative tips and tricks to get the best results from your systems.

**Who should attend?**

- Labs who analyze DNA and/or RNA
- R&D scientists who prepare and check the quality of Next-Generation Sequencing libraries
- Researchers who require RNA integrity information for their assays
- Clinical research scientists who seek ways to gain operational efficiencies in the lab

## Speaker

**Rangasamy Elumalai, PhD**  
Field Application Scientist - Agilent

For Research Use Only. Not for use in diagnostic procedures.
